## HICAST Theme Song

Song writer: Dr. Bidur P. Chaulagain

English Translation: Ms. Aastha Pudasainee

Welcome to every new morning  
With the seven colors of the sun,  
Adorning entire world and creatures  
With creational energy and right vision!

Blessed by the fresh air,  
Which provides energy to our blood,  
Coming out from every green cells,  
Invigorating the living world!

Which operates all those cycles of life,  
Welcome to every season again  
To condition the heat and cold  
Through the effects of light and rain,

Where crops and grains are grown well,  
We are blessed by our nation's soil,  
Their karma is always blessed,  
Who engage in agricultural toil,

Welcome to every new morning  
With the seven colors of the sun,  
Adorning entire world and creatures  
With creational energy and right vision!

स्वागत छ नयाँ विहान,  
सुर्यका सात रँगहरुलाई ।  
जस्ले दिन्छ दृष्टी-श्रृष्टी  
जीव र यो जगतलाई ॥

धन्य छ नयाँ वायु  
रूखपातबाट निस्कनेलाई  
रगत र जगतमा  
उर्जा प्रदान गराउनेलाई ॥

स्वागत छ ऋतु याम  
जीवन चक्र चलाउनेलाई ।  
घामपानीको स्वभावमा  
चिसो-ताप मिलाउनेलाई

धन्य छ यो देशको माटो  
अन्नबीज उब्जाएर ।  
धन्य हुन्छ उसको बाटो  
कृषी कर्म चलाएर ॥

स्वागत छ नयाँ विहान,  
सुर्यका सात रँगहरुलाई ।  
जस्ले दिन्छ दृष्टी-श्रृष्टी,  
जीव र यो जगतलाई ॥
